Spanish 110.
Advanced Spanish Composition

M/W/F 12:10-1:00pm
251 Olson Hall
CRN 64062
4 units

Taught by Charles Oriel, cmoriel@ucdavis.edu

This course focuses on improving writing in Spanish. In addition to addressing the mechanics of clear writing (syntax and the structure of paragraphs and arguments), there will also be a thorough review of the Spanish grammatical system, including such important areas as narration in the past (preterite and imperfect), sequence of tenses, the uses of the subjunctive and conditional modes, and the rules of accentuation.

GE credit (New) / GE3:
Writing Experience

Prerequisite:
Spanish 024/024S or Spanish 033
