<sup>4</sup> Full Credit Allowed for UC Davis Course Equivalencies/Duplicate Credit:

\* Students should be aware that AP exams, IB exams and college courses taken prior to or after enrolling at the university may be duplicative. In these cases, the university will award credit for only one of these. In general, you may not earn university credit for college courses that duplicate credit already earned through AP. There are, however, a few exceptions to this general rule. Since it is often difficult to know exactly which UC Davis course you should take when you have earned AP credit, you should talk with an academic adviser in your major department or dean's office before selecting and enrolling in classes.

UC Davis Pattern Of General Education:

<sup>1</sup> Exam:

- Exams discontinued after May 2009: Computer Science AB, French Literature, Italian, Latin Literature

<sup>2</sup> UC Eligibility Area:

- UC-B=Behavioral and Social Sciences, UC-E=English, UC-H=Humanities, UC-M=Math, UC-S=Biological and Physical Sciences
- UC-E: If English AP test score of 3, 4, 5 was achieved prior to completing any transferable English composition course(s), 8 qtr. units of transfer credit are awarded for the AP exam, and one of two English Composition requirements [UC-E] satisfied. UC Davis articulates (AP) English Language & Composition and English Literature & Composition with scores of 4 or 5 as UWP 1 and English 3 therefore we will not allow transfer credit for any duplicated English courses.
- See [www.assist.org](http://www.assist.org). Help Topics: UC Transfer Admits Eligibility for details related to UC Transfer Admissions Eligibility Courses.

<sup>3</sup> IGETC Area:

- Each AP exam may be applied to one IGETC area as satisfying one course requirement, with the exception of Language other than English (LOTE).
- There is no equivalent AP exam for the Area 1B - Critical Thinking/Composition requirement.
- For details regarding IGETC certification, see your California community college adviser and [www.assist.org](http://www.assist.org). Help Topics: IGETC. Students entering UC Davis with partial IGETC certification should contact their dean's office.

<sup>5</sup> UC Davis Area:

- HU=Humanities
- FL=Foreign Languages
- EN=English
- NS=Natural Sciences
- SS=Social Science

<sup>6</sup> UC Davis College Area Requirements:

- Partially satisfies Area (breadth) requirements for the A.B. degree.
- 4 units of credit toward Natural Sciences Credit or Preparatory Course Work allowed for science majors for each Natural Sciences exam passed, except 8 units of credit allowed for Mathematics BC and Physics B exams.
- Satisfies 4 lower-division units of the English Composition requirement.
- Satisfies first course toward English Composition requirement.
- Exam awards units toward the Unrestricted Electives requirement.
- Language exams (except for Latin), and the Literature exams in French and Spanish, satisfy the Foreign Language requirement. Until otherwise determined the Language and Culture exams do not satisfy the Foreign Language requirement.

**NOTE:** Courses for which AP credit has been granted may not be used as a substitute for courses required as part of the UC Davis General Education Requirement; see Advanced Placement (AP) Examinations, on page 35 and page 41.
